

From the Long Island Expressway/495 heading East:

Take exit 46 (Sunnyside Boulevard); At the light, go straight onto the south service road still heading eastbound (don't get back on the LIE); go about a half mile on the service road and make the second right onto Commercial St (this is right by a furniture store called "Pieces"); Go down Commercial St. and after it bends around left, Island Rock will be behind the second building on the left; the front of the building is called Lennox and the back is Island Rock

From the Long Island Expressway/495 heading West:

Take exit 46 (Sunnyside Boulevard); make a left at the light onto Sunnyside; make another left onto the south service road of the LIE heading eastbound (don't get back on the LIE); go about a half mile on the service road and make the second right onto Commercial St (this is right by a furniture store called "Pieces"); Go down Commercial St. and after it bends around left, Island Rock will be behind the second building on the left; the front of the building is called Lennox and the back is Island Rock

From the Northern State heading West:

Take exit 38 (Sunnyside Boulevard) and make a right onto Sunnyside Boulevard; make a left onto the south service road of the LIE heading eastbound (don't get on the LIE); go about a half mile on the service road and make the second right onto Commercial St (this is right by a furniture store called "Pieces"); Go down Commercial St. and after it bends around left, Island Rock will be behind the second building on the left; the front of the building is called Lennox and the back is Island Rock

From the Northern State heading East:

Take exit 38 (Sunnyside Boulevard) and make a left onto Sunnyside Boulevard; make a left onto the south service road of the LIE heading eastbound (don't get on the LIE); go about a half mile on the service road and make the second right onto Commercial St (this is right by a furniture store called "Pieces"); Go down Commercial St. and after it bends around left, Island Rock will be behind the second building on the left; the front of the building is called Lennox and the back is Island Rock

From the Southern State:

Take the Seaford Oyster Bay/135 exit heading North; Take that to the Long Island Expressway/495 heading East; follow directions from above
