About the Bowl-a-thon

The Bowl-a-thon is a fun way to raise additional *Friends of Scouting* funds over and above your unit's Scout Family efforts. Participants obtain pledges from sponsors prior to bowling. Sponsors can choose to make a donation by one of two options, 1) Make a pledge based on the bowler's score (total pin count), or option 2) Pledge a donation regardless of the bowlers pin count. After bowling the bowler collects the pledges from their sponsors in time to be turned in at the March roundtable. Pledge sheets are to be turned in prior to bowling and will be returned to the bowlers before they leave.

Last day to buy tickets in advance will be February 10, 2011.

**Sign up sheets will be at roundtables or you can call Bill Davis.
